

**Summer Fair**

The Summer Fair is nearly upon us – **Friday 29<sup>th</sup> June** – and we are asking for your help in the form of donations that could be used for the tombola or for raffle prizes. Please send items to the ladies in the school office or your child's teacher and they will be very gratefully received.

As you aware, a group of hardworking volunteers – otherwise known as **SOCS** – organise the Summer Fair as well as other popular events such as Discos and Film Clubs. These occasions are not only popular with

the children but they are important fund-raisers which allow us to provide the children with special treats that the school budget would not cover. However, we desperately need new volunteers coming forward to join us and help plan and take part in forthcoming activities. The next meeting of SOCS will be in the first week back after the half-term break; please see the next bulletin for the date and time. Thank you very much in advance.

**Attendance Challenge**

Results for weeks: 7<sup>th</sup> – 11<sup>th</sup> and 14<sup>th</sup> – 18<sup>th</sup> May:

<b>95.85%</b>	<b>96.66%</b>

School success starts with attendance

Number of late arrivals	
Wk A	Wk B
<b>26</b>	<b>21</b>

The total learning time lost through lateness:  
 Week A – **7.4 hours**  
 Week B – **4.4 hours**

**Sleep Tight Workshop**

- Does your child have sleep problems?
- Do you want support to help to improve bedtime and help them (and you!) to get enough sleep?

**We are running a free 5 week Sleep Tight Workshop at Croft**

This will help you:

- Establish why your child may not be sleeping well
- Learn about methods to encourage better sleep habits
- Explore useful resources and strategies to aid sleep

Please see the attached poster for further details; paper copies are available from the school office.

**Fab 5 Readers**

The winners of the books over the two weeks are:

**Evie Dye** (2TL); **Jessica Ball** (3B); **Logan Ellis** (2H) and **Noah Armstrong** (5R).

**Have You Tried Multiverse?**

Multiverse is a game platform where children earn credits and gain access to other games as they explore the Mathematics Universe. The aim is to practise and secure knowledge of facts relating to the multiplication tables. It is suitable for children in Year 2 and upwards and can be found on the school website.

**Share Your Good News....**

It is always a pleasure to hear about the many triumphs and experiences of your children outside of school. We have so many gifted and talented pupils at Croft it would be lovely to share their achievements across the school community. If you would like your child to feature in a future edition of the bulletin, just send a few details (and a photograph if you wish) to Mrs Blount at

We look forward to hearing from you.....
