Classes for Next Year – 2019-2020

At this point in the school year, we begin to plan the transition for our pupils. This includes the introduction to Croft for our new entrants in Foundation Stage, the departure of Y6 pupils to their respective secondary settings, and the big 'move up' for everybody else. If you have any information you would like to share with us prior to sorting the classes for next year, please let Mrs Blount or your child's teacher know by **Thursday 23rd May**. This is earlier than usual so please don't miss the deadline. Many thanks.

Please try to hear your child read as often as you can. Apart from the fact that it is lovely to share some quality time over a book, it only takes a few minutes a day and the positive impact it has is huge.

ParentPay

Thank you to those of you who have now activated your ParentPay accounts helping us to become a cashless school. Once your account is activated you are able to pay online for all financial transactions with school e.g. trips, Breakfast Club, Discos, Film clubs, etc. Follow the instructions in your letter sent on the 26th April which contains your unique activation details, to get you started with ParentPay. Should you wish to continue making cash payments, you will be able to do this at any PayPoint store – of which there are several in the local community. **The facility to pay for school meals through ParentPay will be introduced Monday 1st July 2019** If you have any queries about ParentPay, please ask at the school office or follow the link below: <https://www.parentpay.com/parents/> Thank you for your patience as ParentPay is established.

Inspirational Ice-Hockey Player

This photo shows 10-year-old Will Medley, a Y5 pupil at Croft, who gives us all a powerful demonstration of patience, resilience and determination. Will attended his first Panthers ice-hockey game last October and was so excited by the sport he knew he would like to give it a go. His first pair of skates arrived as a Christmas present and Will took to the ice for the first time in early January. Five months later and Will has taken to it like a duck to water, already completing Levels 1, 2, 3, 4 and 5. This means he is now playing with team members up to the age of 17. Well done Will, we are all extremely proud of you and look forward to seeing your future success.

Census Day – Thursday 16th May – all children in F2 and KS1 (Universal Infant Free School Meals) will receive a free meal on Thursday. On the menu is roast pork (or Quorn) with all the trimmings or Turkey Risotto, followed by jelly and ice cream. If you think they may not eat the meal, please provide a packed lunch as usual.
