GOOD NEWS!

Supporters of Croft School (SOCS) has been selected as a Co-op Community Fund cause

What does this mean?

Earlier this year SOCS applied to the Co-op Community fund and our application was successful meaning we are a local cause they would like to support – Yay!

Every time Co-op members buy selected Co-op branded products and services, they will give local causes a helping hand.

Members select which cause they would like to support and each time they scan their reward card when shopping their cause gains a contribution.

How can our parents, carers, family and friends help?

Sign up online or instore to become a Co-op member! It is just a £1 and entitles you to great offers and rewards in Co-op stores as well as supporting SOCS.

Check out the Co-op website for more information.

Then what?

Start shopping and ask family, friends and carers to support us. You can keep track of how our cause is doing when you access your membership via the App or Web.

Our cause began in October and Runs until October 2024 at which point any money raised will be paid to SOCS which will directly benefit our children.
